Summary
This puzzle will give you great practice with spatial imagination. Your best approach to solving it is to work through the combinations and stay focused. It is very satisfying once you reach the solution!

Equipment Needed
- Puzzle Play Mat
- 3 blue disks
- 3 yellow disks
- 4 red disks
- A sign that explains how to play and how to set up the challenge

HOW TO PLAY

Puzzle Set Up
Set down the Puzzle Play Mat and place the 10 colored disks on the mat in ready position.

Your Objective
Place all the colored disks into the triangle so that no disk touches another disk of the same color.

Solution
If you need the solution — and we recommend you work really hard to figure this out yourself! — please have your team captain visit our website at www.ThinkFun.com/FamilyPrograms/Brainsteasers

Cut and color these objects to form your puzzle, or find your own objects to use and create your own story and artwork.
