THINKFUN® VALUES

ThinkFun® games are all about fun, healthy brain play. For kids, they’re about solving challenges and having fun. For adults, they’re about brain aerobics and re-learning how to take risks. For seniors, they’re about keeping mentally fit while connecting back to kids. ThinkFun® games are great for everyone!

TO PLAY:
• Choose a puzzle side to play
• Arrange all 5 puzzle pieces within the polygon frame
• Once you’ve solved the challenge, choose a new side and play again!
• Have Fun!

Puzzle Solutions

About the Inventor

Adams Cube was invented by Henry Adams, a self described "architectural inventor entrepreneur." Adams created his Cube in 1975, and sold the puzzle through game and museum stores across America. It is a beautiful puzzle, and Adams has reissued it through ThinkFun to delight a new generation of puzzle lovers.

INCLUDES:
5 puzzle pieces • 1 six-sided puzzle cube
Instructions and solution booklet
