## Two Player Strategy Game

### GAME RULES

1. Place a token (of any color) on each of the circles.
2. Choose who goes first.
3. On their turn, each player must take one or more tokens off the board.
  - a. A player can only take tokens from one row on each turn.
  - b. Player may take as many tokens as he/she wants, only from that one row.
4. Players go back and forth, removing tokens from the board. The Player who takes the last token off the board is **THE WINNER!**
