Thinkfun Everybody Plays

SOLITAIRE CHESS
Mind-Capturing Logic Game

Solitaire Chess is a sequential logic puzzle based on the rules of Chess.

To Start: Choose a challenge card and set up the chess pieces as indicated. Then capture the pieces one by one.

Your Goal: When only one piece remains on the board, YOU WIN!

While this is not standard chess, playing Solitaire Chess will:

- 1) teach you the basic rules of how to play chess, and
- 2) develop your strategic understanding of chess.

You get 60 challenge cards with four levels of play:

- Beginner • Intermediate
- Advanced • Expert

Ignite Your Mind!
ThinkFun® games are all about fun, healthy brain play. For kids, they're about solving challenges and having fun. For adults, they're about to win and stress and re-learning how to TAKE FUN. For parents, they're about knowing mentally to make connecting with their kids. These are games we're proud to endorse!
