Moon Spinner is a stunning lunar-themed brainteaser that is a wonder to behold. Six multi-colored circles are ingeniously connected to form crescent moon-shaped patterns. Each circle can be rotated to reposition different sections of the puzzle. Like many classic brainteasers, your goal is to scramble the various colored sections, and then figure out how to rotate them back to their starting positions. Moon Spinner is truly revolutionary in how the circles interact with each other. This unique, addictive challenge will leave puzzle enthusiasts over the moon!
